Genesis Chapter 3 verses 1 to 8

Friday Week 5 Year 1.

The difference between man and woman from the rest of creation is that God gave us free will. We hear that God had given Adam and Eve the freedom of the Garden with one exception. They must not eat of the tree of knowledge. They have followed this rule until the serpent comes along to goad them and they succumb.

Their nakedness is not the fact that they have no clothes on but the fact they have laid their souls open and can see what they have done and are now trying to cover it up. They hide.

How often do we hide from God and from others for that matter?

How often are the tempter and the tempted?

Let do our best to use this gift wisely.

Our Father.

Hail Mary.

Glory be.

I love you, Jesus, my love, above all things, I repent with my whole heart of having offended you. Never permit me to separate myself from you again. Grant that I may love you always; and then do with me what you will.
