Scripture reading:

Genesis Chapter 7 verses 1 to 10

Tuesday Week 6 Year 1.

Reflection.

God told Noah to take his family and the animals into the ark. The song says that the animal went in two-by-two. It is interesting to note that he had to take seven pairs of all the clean animals. Seven being the perfect number. Of the unclean animals it was only two, male and female. This is a demonstration, surely, of God's great benevolence? Once the door to the ark was shut that was the day the rains came down (another song there).

Our Father. Hail Mary. Glory be.

I love you, Jesus, my love, above all things, I repent with my whole heart of having offended you. Never permit me to separate myself from you again. Grant that I may love you always; and then do with me what you will.
