Reflection

In this gospel account we have two cups. Jesus takes a cup, then he takes some bread, then he takes another cup. He is not being greedy or gregarious.

Our Lord is taking the old way and replacing it with the New Way. Each time we come to Mass our Lord speaks the same words and does the same actions through the priest. It is not a copy but the one off sacrifice of Christ. The Eucharist is the source and the summit. We receive the True Body and Blood of Christ who is food for our journey. Amen.

Our Father.

Hail Mary.

Glory be.

I love you, Jesus, my love, above all things, I repent with my whole heart of having offended you. Never permit me to separate myself from you again. Grant that I may love you always; and then do with me what you will.
